1. General information on Chile

Geographical location

Chile is located in the extreme south-west of South America. Its capital city is Santiago, and the country has a total population of around 19.5 million. Chile lies between the Pacific Ocean and the Andes mountains, and its long, narrow territory is divided into 16 administrative regions.

The capital

Santiago is the capital city of Chile and its Metropolitan Region is home to 7 million people. It has a Mediterranean climate and well-defined seasons, with rainy winters with temperatures as low as 0°C (from May to September) and dry summers, when maximum daytime temperatures are around 30°C (from November to March). Relative humidity is low, and evenings are cool.

Although the tap water is safe to drink, it may not agree with those not accustomed to it. Visitors are therefore advised to drink bottled water.

As in all large cities, it is recommended not to wear valuable jewellery and to remain alert regarding cell phones, wallets or bags, for security reasons.

Useful information

LOCAL CURRENCY	The national currency is the Chilean peso (\$). The exchange rate is approximately 805 pesos to the dollar (March 2023).
LOCAL TIME	Local time is UTC/GMT -4 hours (on the dates of the meeting).
ELECTRICITY	In Chile, the standard voltage is 220 volts. The frequency is 50 Hz. Plugs and sockets are type C or L.

These rates do not include the value added tax (VAT) of 19%. Visitors paying in dollars or with international credit cards are exempt from VAT. In that case, the hotel will request the slip issued by border control upon entry into Chile.

To maintain the special ECLAC rate, hotel reservations must be requested personally, not through agencies or other means. Delegates are responsible for making their own reservations. You are advised to check that the hotel has processed your reservation and to request a reservation number or confirmation code. The hotel requires your flight information and dates of arrival and departure from Chile, as well as credit card details, in order to secure the reservation. Please send the chosen hotel the attached hotel reservation form, with all the required details.

5. Visa and entry requirements for Chile

Participants must be in possession of a passport valid for at least six months beyond the date of entry into Chile.

Representatives from countries whose citizens require a visa to enter Chile should apply for one in advance at their nearest Chilean embassy or consulate.

To find out whether you need a visa, go to the website of the Ministry of Foreign Affairs of Chile (<https://www.minrel.gob.cl/embajadas-y-consulados>) and click on the country of your nationality.

6. Transport from the airport to Santiago

For transfers from the airport to the city, there are minibuses run by the companies Transvip and WeTransport, located at the airport, which can take 10–12 passengers and drop passengers off in different neighbourhoods, at an approximate cost of US\$ 30 per person.

Travellers who wish to use individual transport should use the official taxi firms (Taxi Turismo Oficial), which are located at the airport; fares to the city vary between US\$ 35 and US\$ 40, depending on the destination.

Modes of transportation in Santiago include microbus and taxi lines as well as six metro lines. Taxi fares are indicated on meters and drivers are generally not tipped.

7. Registration

Online registration for all participants will be available from 26 April until 26 May 2023 on the meeting website (conferenciaccs.cepal.org/1).

After registration, the system will send an automatic confirmation of receipt. Once the registration request has been approved, a “confirmation of acceptance” email is sent, which must be presented along with an identification document when picking up credentials.

Online registration of government representatives does not exempt delegations from the formal requirement to provide official notification indicating the names of the head of delegation and of all accompanying members.

Officials of United Nations system entities will be able to enter the meeting with their United Nations pass, which must be previously activated, but are still required to register online. To activate a pass, please send images of both sides of the credential to the following email: cencoseg@cepal.org.

Credentials can be collected at the main entrance of ECLAC (Av. Dag Hammarskjöld 3477, Vitacura), on Monday, 29 May from 3 p.m. to 6 p.m. and Tuesday, 30 May from 8 a.m. to 3 p.m. Credentials must be picked up in person and an identification document is required. For security reasons, participants will be required to wear their badges in order to attend meetings. Badges must remain visible during the meeting.

Participants are advised to arrive at least 30 minutes before the start of meetings in order to complete the accreditation process and United Nations security protocols.

Should further information on registration and accreditation of participants be required, please do not hesitate to contact Luis Flores (luis.flores@un.org).
