TOSSD de un vistazo

“ TOSSD provee a los países en desarrollo un panorama completo y claro del apoyo oficial total que reciben. ”

La Cooperación Sur-Sur y TOSSD

- TOSSD ha adoptado el marco conceptual inicial para la medición de la Cooperación Sur-Sur, acordada en Naciones Unidas:
 - Modalidades financieras (ej., Brasil, México)
 - Modalidades no-financieras (monetizadas) (ej., Brasil, Costa Rica, Mexico, Nigeria)
 - Modalidades no financieras (no monetizadas) (ej., Perú, PICA).
- UNCTAD y TOSSD reportan conjuntamente al indicador ODS 17.3.1. sobre apoyo oficial para el desarrollo.
- La Secretaría de TOSSD participará como observador en el Comité Directivo del proyecto de UNCTAD para testear este marco conceptual.

TOSSD at a glance

“ TOSSD aims to provide countries with a complete and clear picture of the official external support they are receiving. ”

South-South co-operation and TOSSD

- TOSSD has adopted the **initial conceptual framework for the measurement of South-South co-operation agreed at the United Nations**:
 - Financial modalities (e.g., Brazil, Mexico)
 - Non-financial modalities (monetised) (e.g., Brazil, Costa Rica, Mexico, Nigeria)
 - Non-financial modalities (non-monetised) (e.g., Peru, PICA)
- **UNCTAD and TOSSD jointly report** to the SDG indicator **17.3.1** on official development support.
- The **TOSSD Secretariat** will participate as **observer** in the Steering Committee of **UNCTAD project** testing this conceptual framework.

TOSSD can help foster SSC measurement in Latin America and the Caribbean

In TOSSD, **plural voices** shape an **international standard**

- Diverse membership makes TOSSD an inclusive standard.
- Both National Statistical Offices (NSOs) and Development Agencies build and refine TOSSD.

TOSSD makes visible the diversity of **South-South co-operation**

- In TOSSD.online, users can see the broad variety of activities supported by SSC providers.
- TOSSD welcomes SSC providers in different stages on data collection on their SSC.

Thank you
